1. Welcome & Introductions 5 Minutes
2. Public Comment
3. Accept Minutes from August 19, 2010, Meeting
4. Review the Revisions to the Draft Existing Conditions Report
80 Minutes

Background: The Revisions to the Draft Existing Conditions Report respond to Committee members' comments voiced during the discussion on August 19, 2010. Specific comments concerned growth rate and growth scenarios in the Development Potential chapter. Also included are revisions to the technical data addressed by City Public Works, Natural Resource, Planning, and Administration (Airport and Convention Center) Departments. The Revisions are formatted in a "mark-up" style to show where text / tables / figures have been changed.

Staff Recommendation: It is recommended that the Committee review and discuss the Revisions, and vote to accept the Revisions. If the action to accept is affirmed, the Revisions will be incorporated into the Draft Existing Conditions Report and will be forwarded to the Planning Commission and City Council for review, comment, and acceptance.
